## Make Monday Morning GL Scrip orders a regular part of your schedule

Every Monday from now until the end of the school year, we will be placing a GL Scrip order. Have you been thinking that you need to get started with GL Scrip? Now is the time! Start investigating how GL Scrip can work for your family!

In these times, every family could use some extra help to pay their children's tuition. GL Scrip is an excellent tool to provide this assistance. The program allows you to buy gift cards from most of your favorite stores,

restaurants, and service establishments and pays a percent of your purchase back to the school in your name that will be applied to your tuition. All you have to do is shop and dine in the places you normally frequent and use the gift cards as your payment. Some rebates are as high as 17%. Earning free money doesn't get much easier than that!

When ordering gift cards, remember to logon to the Scrip website and place your order before 8:30 Monday morning. All

orders placed on Monday morning will be available for pickup in the front office after 9am that same Thursday.

We require that all MSBG participants use Presto Pay to pay for gift cards. This is an online link to your checking account that makes payment very fast and simple. To get started, login to [www.shopwithscrip.com](http://www.shopwithscrip.com) or contact Alisa Suelzer at (419)354-8400 or e-mail [lisasuelzer@yahoo.com](mailto:lisasuelzer@yahoo.com) to get detailed instructions.

## Planning a Spring Break Trip? Don't Forget Scrip!

available to you.

If you are flying to your destination, American Airlines offers an 8% rebate. When applied to the price of airfare, this can really add up to a significant sum!

May you all have wonderful vacations with fruitful rewards!

## When do we receive our TRIP rebate credits?

After you've been earning credits using the GL Scrip and Kroger Cares programs, you may be wondering: when will we see the benefits of the program?

For those of you on the semester payment plan, you probably already received some of your tuition credits. All rebates accrued as of December should have been removed from your payment which was due at

the end of 2009.

If you are on the monthly payment plan or the annual payment plan, all of your credits are being tracked and will be given to you at the end of the school year.

Monthly plan participants will have their rebate balance applied to their final monthly payment or payments due to the school.

For those on the annual

payment plan, all of your credits will be issued to you directly in the form of a check at the end of the school year. The same will be true for semester payment families for their Spring earnings.

No matter what your plan, rest assured that your participation in GL Scrip and Kroger Cares will benefit you no matter what time of the year. So keep up the participation and keep earning those rebates!

*"The GL Scrip program is a program run by volunteers for the benefit of our families."*

## What is Presto Pay and why is it required for GL Scrip?

This year we have made the switch to require that all orders placed for GL Scrip be paid for using the online Presto Pay feature.

Presto Pay is a service provided by GL Scrip that directly links your checking account to their service. As soon as you place your order, the money is removed from your checking account.

You may ask why we made this change? The main reason was to provide more stability in

the ordering schedule.

In order to save on shipping, we need to order all of the cards together.

Previously when we allowed manual checks to be turned in at the office, an order could be held up if even one person did not get their check in on time. This caused problems for people that were counting on receiving their cards for a planned purchase. With Presto Pay, all payments are made right away and

we can now guarantee that your cards will be available 3 days after the order date.

Two items to note when you are getting started with Presto Pay is that it takes approx 3 days to link your account and have it available for ordering. Also, you will now be charged \$0.39 for each order for the Presto Pay service. We believe this is a reasonable price to pay for added reliability in the process!

## Kroger Rewards Program still accepting registrations

If you have not yet registered your Kroger Plus Card to receive contributions to your Montessori tuition account, it is not too late! Log on to the Kroger website to register your card and the cards of your friends and family that are willing to participate with you.

The Kroger Community Rewards program is a separate program from GL

Scrip. In order to participate in this program, you need to register at [www.krogercommunityrewards.com](http://www.krogercommunityrewards.com). The MSBG registration number is 80235. Contact Alisa Suelzer at [lisasuelzer@yahoo.com](mailto:lisasuelzer@yahoo.com) if you would like detailed instructions sent to you.

When you or your friends do register, please be sure to e-mail the Kroger Plus number and the

family to which the payout should be applied to [lisasuelzer@yahoo.com](mailto:lisasuelzer@yahoo.com). If you prefer, you could also printout the registration confirmation and leave it in the school office.

Rebates for the Kroger program are paid quarterly and the percentage is dependent on the total number of participants in the program in the Midwest region.
