Holidays are here – Don't forget GL Scrip!!!

It is that time of year – everyone is busy with shopping and entertaining for the holidays. As you are making your plans for the upcoming weeks, don't forget to incorporate GL Scrip into your plans. We all spend a lot of money this time of year and with a little planning, you can get some of that spending back in the form of tuition rebates.

Not sure how to start? First, make a list of all the gifts you are planning to

buy. Do you want to give gift cards to some people? Some stores pay as much as 19% back through GL Scrip!

But don't just stop at giving gift cards. Think of all of the stores and restaurants that you like to frequent this time of year. Do you own a business and give gift cards as business gifts? GL Scrip can be used for those too. Don't delay – logon today! Our next order date is Monday, November 30th at

8:30 am. After that, we will order every Monday until Christmas break. (pickup is after 9am on Thursday of the same week of the order)

To get started, login to www.shopwithscrip.com or contact Alisa Suelzer at (419)354-8400 or e-mail lisasuelzer@yahoo.com to get detailed instructions.

Please note that Presto Pay is required as the form of payment for all MSBG orders.

A Sample of GL Scrip Rebates and Specials

We offer GL Scrip to our families in order to provide a way to alleviate some of the burden of tuition payments. The program is run by volunteers at MSBG and all of the benefits of the program go directly back to you! Here are some of the rebates available to you:

Kroger Rewards payout expected this month

The second quarter of payouts for Kroger Community Rewards closed at the end of October. We are expecting to receive a payment sometime in the month of November.

If you had your Kroger Plus card registered at any time during the second quarter (August, September, October), then you will receive a rebate in this upcoming payout.

Once we receive this check, we plan to generate reports for each participating family. This report will include all Kroger rebates and GL Scrip rebates that have been accrued to your account since the beginning of May 2009.

A common question is when will you see your rebates. If you are on a semester payment plan, your year to date total will be deducted from your

December payment due. For those on the monthly payment plan, the total amount of rebates you accrue will be deducted from your final monthly payment(s) in the spring. Annual payers will receive a check at year end.

"The GL Scrip program is a program run by volunteers for the benefit of our families."

GL Scrip requires Presto Pay – so what is Presto Pay?

This year we have made the switch to require that all orders placed for GL Scrip be paid for using the online Presto Pay feature.

Presto Pay is a service provided by GL Scrip that directly links your checking account to their service. As soon as you place your order, the money is removed from your checking account.

You may ask why we made this change? The main reason was to provide more stability in

the ordering schedule.

In order to save on shipping, we need to order all of the cards together.

Previously when we allowed manual checks to be turned in at the office, an order could be held up if even one person did not get their check in on time. This caused problems for people that were counting on receiving their cards for a planned purchase. With Presto Pay, all payments are made right away and

we can now guarantee that your cards will be available 3 days after the order date.

Two items to note when you are getting started with Presto Pay is that it takes approx 3 days to link your account and have it available for ordering. Also, you will now be charged \$0.39 for each order for the Presto Pay service. We believe this is a reasonable price to pay for added reliability in the process!

Kroger Rewards Program still accepting registrations

If you have not yet registered your Kroger Plus Card to receive contributions to your Montessori tuition account, it is not too late! Log on to the Kroger website to register your card and the cards of your friends and family that are willing to participate with you.

The Kroger Community Rewards program is a separate program from GL

Scrip. In order to participate in this program, you need to register at www.krogercommunityrewards.com. The MSBG registration number is 80235. Contact Alisa Suelzer at lisasuelzer@yahoo.com if you would like detailed instructions sent to you.

When you or your friends do register, please be sure to e-mail the Kroger Plus number and the

family to which the payout should be applied to lisasuelzer@yahoo.com. If you prefer, you could also printout the registration confirmation and leave it in the school office.

Rebates for the Kroger program are paid quarterly and the percentage is dependent on the total number of participants in the program in the Midwest region.
